

2007/2008 Amenities & Fees

Incorporated in 1916 for the purpose and enjoyment of yachting, fishing and general social purposes, the Pine Beach Yacht Club has a 91-year history of providing a place for families to enjoy the Toms River waterfront.

Located on Riverside Drive, its 91 year-old clubhouse's charm compliments the many contemporary social programs such as dances, dinners and other social gatherings in addition to its amenities for boaters of all kinds

In 2007, more than 75 youths participated in the Pine Beach Yacht Club's Junior Sailing Program that consists of half and full day classes with our certified instructors.

Membership privileges include access to the following amenities:

- Pine Beach Yacht Club is a member of the BBYRA, which entitles you to race in the Saturday Barnegat Bay Yacht Racing Association sponsored races. Individual membership is \$10.00.
- The club has a Junior Sailing Program for Optimist Pram, Sunfish, Laser, and any class of boat in which our Junior sailors have an interest. The fees for the half day program are \$400 for members and \$800 for non-members.
- Our Social Calendar is a mix of many different types of events. All of our social events are member chaired.
- The club has a 20-slip marina that accommodates boats up to 10.5' beam and 32' length. Fees range from \$280.00 to \$695.00 per slip. The slips are available on a waiting list basis.
- There are 50 indoor lockers available (half & full). Fees range from \$25.00 to \$60.00.
- Boat Storage – Racks and beach space are available to store Sunfish, dinghy, Optimist, kayak etc., at a \$20.00 per boat charge to members. There is a boat storage lot across the street from the clubhouse for larger boat storage. We offer summer storage for dry sailed boats. The fee is \$7.00 per foot for year round storage.
- The boat ramp and an electric hoist are available at the club to launch boats up to 1200 pounds. Since there are no power lines, masts can be kept up for boats trailered from the lot to the ramp.
- There is generous room for river moorings on both the west and east sides of the PBYC dock.
