

## Pine Beach Yacht Club 2017 Junior Sailing Program Application

Welcome to the 2017 Junior Sailing Program! We are excited that you plan to spend your summer with us. The completion of this form and a tuition deposit will hold a place for your child in our program. A mandatory parents meeting will be held on Sunday, June 11<sup>th</sup> at 10:30 am. Sailors should plan to have their boats at the club for this meeting so that instructors can look them over for any concerns and/or missing equipment. All forms (additional paperwork will be emailed to you once your application is processed) and final tuition payments will be due at this meeting.

As of right now, the program is scheduled to run for 8 weeks from June 26<sup>th</sup> - August 17<sup>th</sup>, Mondays through Thursdays. Awards Night is tentatively scheduled for the evening of Friday, August 18<sup>th</sup>. Dates are subject to change within one week, earlier or later, based on the number of snow days taken or forgiven.

**BOATS:** The club does not provide boats. Participants must provide their own boat. Crewing positions must be worked out between the boat owner (skipper) and any crew. Any questions, please ask.

**LOCKERS:** Lockers are available on a first come, first served basis. For locker information, please email our Rear Commodore, Russ Whitman, at [whitmansangels@comcast.net](mailto:whitmansangels@comcast.net).

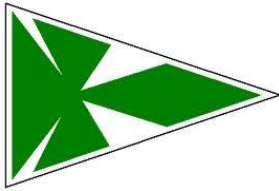

**PBYC MEMBERSHIP:** For information regarding membership, please visit our website at [www.pbycnj.com](http://www.pbycnj.com) or email our Membership Chairman, Tom Herman, at [membership@pbycnj.com](mailto:membership@pbycnj.com).

**GENERAL INFORMATION:** All Junior Sailing notices will be sent via e-mail. Questions regarding junior sailing should be directed to the parent coordinator, April Krajewski, by phone at 732-575-2014 or via email to [aprilkrajewski@hotmail.com](mailto:aprilkrajewski@hotmail.com).

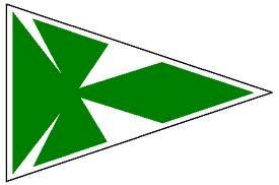

**RACING AND RECREATION:** The PBYC Junior sailing program prides itself on offering something for everyone. We offer programs for beginner, recreational as well as racing-minded sailors. Beginner sailors and recreational sailors will sail from 8:30-12:30 Monday through Thursday. Morning (8:30-12:30) sailors will focus on sailing fundamentals, concentrate on sailing as a recreational activity more than a sport, and will gain a basic knowledge of racing. We will once again be offering a longer day for our racing minded sailors. Our sailors most interested in racing will sail from 8:30-2:00 each day. These sailors will take a short break for lunch around 11:45 am and then head back out to practice racing drills in the afternoon sea breeze. This extra practice in the afternoon should give sailors a better opportunity to sail in conditions likely to be found during regattas and interclubs. In order to sail in this group, sailors should have at least one year of sailing experience, participated in interclub and regattas the previous year, be enthusiastic about sailing in heavier winds and in the bay, and have an eagerness to learn new skills and racing techniques. These sailors should bring a bagged lunch or a large snack each day. The "Pre-Opti" and "River Rat" programs are designed for our youngest sailors. The "River Rat" program does NOT require the sailor to have a boat, but the "Pre-Opti" program does. These programs will meet twice a week on alternating days. The "Pre-Opti" program is NOT a prerequisite for the "Beginner" program. Please contact April Krajewski if you have any questions.

**REGISTRATION DEPOSIT:** This pre-registration process is extremely important to ensure proper hiring and staffing of the program. There is a \$100.00 non-refundable deposit due by April 15<sup>th</sup> to reserve your space. Space may be limited. Class size will be limited. Sailors will be grouped according to skill level. All balances must be paid in full by the June 11<sup>th</sup> parent meeting or a \$50 late fee will be charged. Placement is based on a first come, first served basis.

**We need parents to be involved to offer all of the activities we have planned. Parents are required to volunteer for at least one activity. There will be sign up sheets at the parent meeting. THANK YOU in advance for getting INVOLVED!!! Your dedication and assistance is very much appreciated.**

## Sailing Fleets

Class	Program Length	Member Fee	Non-Member Fee
